

TRUTH IS MIGHTIER THAN METHODS

BELOVED:

No matter who you are—a laborer, peasant, politician, businessman, social and welfare worker, captain of industry, healer or hotel man, doctor or dyer, minister of the gospel, exalted saint or a vile sinner, *married and miserable, single and sighing*, poor or paralyzed—Study carefully the enclosed program of my lectures. Hear me expound the laws Divine and Eternal, understand them thoroughly, accept them whole-heartedly; apply them heroically; and even dangerously; and realize them as harbingers and bringers of health, wealth and happiness. Millions have heard me, hundreds of thousands could testify to the effectiveness of my teachings. Nothing is hopeless or impossible. All growth is from within. Your work can never be any bigger than the Power you feel from within you to do it. Take an inventory of yourself! No matter how low your condition and quality of life you live, *I will improve upon that, if you will only listen, with an open mind. I have found the beloved, the Lord of Life and Happiness within my own self.* I am always improving by tuning in with THAT. The largest room in the world is the Room for Improvement, so long as you think you are *green*, you *grow*, when you consider you are ripe you surely rot.

There are two methods of evolving, one through *friction* and the other through *obedience*—Choose either—but *evolve you must*. There are no closed classes or paid courses, every lecture is *free; a full course in itself*. Come with your friends, worthy and well qualified. *Only Sincere Seekers after Truth welcome, others must keep out. Freely we give, freely we receive.* The only thing that you will lose will be your *Ignorance*. Are you generous enough to let it go?

P. S.—Create time to hear such unique and life-instilling free lectures. This will be the greatest investment you have ever made.

Science of the Saviours (Sant Mat) is manifestly practical and redeeming. It connects the Individual Soul directly with its Infinite Author—the Supreme Father—through the agency of Surt-Shabad or Spirit-Sound-Current. This science is as old and as modern as Man. All others believe, theorize, imagine, speculate, preach. Only the ascended Masters Know—who have risen to Reality. Sikh-Saviours are Humanity's Highest Ascended Masters. From one of their humblest Initiates learn of Your Inner Radiant Road to Reality, then start your Inward Journey to Your Home, and like them become a Christ and Buddha yourself.
