Weary of long days of labor, oppressed with toil, nights devoid of ease and sleep? Hopelessly tossed about, from pillar to post — a football of circumstances? Heart-heavy with sorrow, perverted from ennui, sin and indulgence? Petrified with fear, grief, poisoned and polluted from "man's inhumanity to man?" Crazy with care, burdened with crosses, cursed with unrequited hopeless love, suffering from woes of want, drooping, wan, forelorn? Individual incentive insufficient to fill the vacuities of life, chained to THE WHEEL OF WOE?

Come with full assurance that — TRUTH CAN RAISE SUNKEN HUMANITY GODWARD. Hear it with an open, willing mind, accept it after understanding it, become adjusted alive and electrified to the Divine Plan and Purpose of Your Existence and help it unfold in your daily life, and it will become a song, a Psalm and a benediction.
