

---

10. An Arab block of states will form into a powerful federation with Saudi King as the Emperor including Arabia, Yemen, Syria, Palestine, Iraq, etc., patterned very much after the Imperial Germany of the former Kaiser. Egypt will be linked to it in friendly co-operation, Arabs and Jews will come to a brotherly agreement acceptable to both; when the third party is eliminated.

11. Malaya Peninsula Federation will be urged by Free India on true democratic lines; united to India by unbreakable ties.

12. French and Dutch will be ousted from Indo-China, Java, Borneo and Sumatra, and these countries will be free countries to enjoy the blessings of freedom and service.

13. China will make peace with Japan soon and an era of mutual friendly co-operation between the two sister nations, kindred in color and culture will begin, and will have far-reaching effects on the future of mankind. China eventually will lead, to the joy of Asia and humanity.

14. Russia will dominate Europe for a long time before Europe will form into a United States of Europe. Russia on the whole will be one of the greatest blessings to mankind in time.

15. India, China, Russia—their leaders at some time in the future will meet at the boundary lines of the three states, and in solemn oaths declare their undying friendship and co-operation in all things that strengthen ties that bind man to man and nation to nation in holiest harmony born of understanding.

16. Phillipine Islands will be given freedom by generous and humanitarian America.

17. U. S. A. will keep shining as a most brilliant star in Democracy's firmament and remain a Beacon of Light and Brotherhood to all the world especially to the Americas. Soon will all the European possessions in American hemisphere be proclaimed free and federated to the different republics of their own free choice.

18. French, English, Dutch and Belgium will all gain in the long run, when they have shed Imperialism, they will be valuable members of European Brotherhood, like their Scandinavian brothers.

19. Canada will of its free choice vote for union with U.S.A.

20. Argentine and Brazil in time will eclipse all states in grandeur and growth and become great in their own rights, as great as U. S. A., and be truly a world in themselves each.

21. India and China at some future date will divide Australia amongst themselves to accommodate their surplus populations and come to some just and reasonable division of this sphere, leaving domiciled Australians to determine their own form of government unhindered from within unmolested from without. Imperialism will be completely eliminated. Good of mankind will be the guiding spirit. In time Africa will come to her own and black man will find his equal place with his fellow brothers and sisters and help fulfill our common human destiny as sons of God, and citizens of the Kingdom of the Eternal.

22. North and South Poles will be peopled in time, their vast wealths harnessed to human need and growth. Science will transform our earth into a veritable Garden of God. Human solidarity will be realized most firmly, poverty, unemployment, disease, war, will be no more. Man will become mentally adult and aspire to be God-like.
