Blessed Bhairji!

Hold steady...Don't faint...Bhagwan is on his way for the
Garshan of his Beloved Bhagat!

I will be arriving on the "City of Los Angeles" Union Paci-
fic Ry. about 11 A.M. Saturday, April 27th. I plan to be
in Chicago only two days, Saturday & Sunday, but you know,
Bhagwan is always flexible and to his time often stands still.
If old Joshua stopped the sun dead on its track, what can a
Hindu not do to it?

By the same mail there is a letter sent to Mr. Hitchcock: ask-
ing to secure reservation for me at the Palmer House for those
two nights. I will be staying there. However, I will see you
Saturday on arrival.

Till then, best wishes and Jai Hind!!

Fraternally yours,

Bhagwan. Gyance.

P.S.: Lots of love from Bhagwan....
