Beloved and Reversed Brother -

Your long distance telephone call was the most welcome inspiration I deeply and most sincerely appreciate the efforts made by you and devoted friend to come to my rescue. I am out on bond for \$500.00 furnished by my good friend here. The ordination papers were filed today, an ad in the paper is inserted and tomorrow I start again. The notice for appeal is filed. I doubt not I will triumph, all is well with my beloved family a little shaken by the ordeal, but shrugs themselves before. Give my heartfelt thanks to my Deveres disciples and friend.

With my abiding love for your noble person

Yours truly,
your younger brother
