Beloved and Revered Bhaiji,

a letter was sent to you, I hope you got it, things are here  
not so good, but they could be worse, I shall be thru by Aug 10  
will you by return mail tell me whether you have lists  
of names for Denver and Minneapolis and how many <sup>names</sup> there  
are, so I may make adequate preparation to start a  
worthwhile campaign in either city. I need a room  
by the month, that will seat about 75 persons to 100  
daily, you can at your leisure inquire at the Shubby-  
Savoy and get it as reasonable by the month as possible  
three lectures daily and none on Saturday. I shall  
then send money for reservation as soon as it is coming.  
I shall start on August 23 Sunday -

This has been the worst campaign of all the years in  
every way except in experience, financially it is a flop  
that's why I asked for your help otherwise I would not  
have bothered you - The enclosed appeared in the local  
paper about your statement about India.

With blessings & love to your Bhaiji and Bhabiji,

Lovingly,

Your brother,

P. S. How long are you going to be in Denver? D. Thund
